

RFOptic Newsletter July 2026

Welcome to our July newsletter of 2026. In this issue, we will update you on our latest company news, our participation in the IEEE, and our spectacular progress in the Scandinavian market. As always, feel free to share this newsletter with your contacts and on your social media.

RFOptic has strengthened its Leadership Team with three strategic appointments

To support its expanding presence in several strategic geographical markets and industry sectors, the Company has decided to strengthen its leadership team with three key appointments.

1. **Omer Sabuncu** has joined RFOptic Inc. as its Director of Sales & BD North America.
2. **Oz Abramson** has been appointed as RFOptic's Active Director Marketing. In his new role, Mr Abramson will be responsible for RFOptic's global marketing.
3. **Moshe Carmel** has been appointed as RFOptic's Director of Global Sales & Business Development.

RFOptic has expanded its presence in the Scandinavian market

For the last decade, RFOptic has experienced a significant growth in the Scandinavian countries. Thanks to the efforts and dedication of RFOptic's distributor **Amtele**, RFOptic was able to increase its sales of its **Optical Delay Line (ODL)** and **High SFDR** solutions to the **5G testing** industry and **Defense & Government** sectors. One of the major contracts involved our GPS-enabled **drone solution**. Overall, we see a growing interest in sync solutions for the GPS units.

IEEE 40th Annual Symposium and Minishow

RFOptic will attend the [40th Annual Symposium and Minishow](#).

Organized by the Institute of Electrical and Electronic Engineers (IEEE) North Jersey Section, MTT-Society and AP-Society Joint Chapter, the event focuses on selected topics in RF and Microwave technologies for commercial and military applications.
